I am at least 18 years old or above the legal age of majority in my jurisdiction and intend to participate in FIRST Programs.  
OR

#### PHOTOGRAPHS AT FIRST EVENTS

Attendees at public FIRST events in the U.S. and Canada, including the FIRST Championship, can expect broad use of photography and videography, including livestreaming, by event staff and attendees and participants. If you attend a FIRST event, you or your child's image may be captured during the event and FIRST and our Program Delivery Organizations may use these images and video in limited ways, including serving as a record of the event and for the non-commercial promotion of FIRST on our Sites or on social media, in accordance with our Privacy Policy.

At FIRST events there will be many individuals beyond the direct control of FIRST taking photos and videos, such as spectators, parents, coaches, mentors, sponsors, and news media. FIRST has no authority over the use of images captured by third parties at public FIRST events. Please see Section 4 of the FIRST Privacy Policy for more information.

#### COLLECTION OF PERSONAL DATA

The FIRST Privacy Policy describes how FIRST collects and processes the personal data that you provide to us. The privacy policy is available for you to review at: [www.firstmagnets.org/about/privacy-policy](http://www.firstmagnets.org/about/privacy-policy).

I understand that if I have any questions about data collection, storage, processing, or sharing, I can get more information by emailing [privacy@firstmagnets.org](mailto:privacy@firstmagnets.org).

#### ASSUMPTION OF RISK AND RELEASE OF LIABILITY

The risks and dangers of participation may include, without limitation, injury or illness resulting from building, lifting, and using electrical/mechanical robots and robot components, using tools, and other activities associated with participation in the program including traveling to and from FIRST events.

Injury or illness may also result from interactions with other Participants, including being exposed to communicable diseases. Participant understands that FIRST does not select, employ, supervise, or otherwise exercise authority or control over the coaches, mentors, and other Participants during their participation in the Program. These risks will exist even if Participants wear proper safety equipment and take reasonable measures to protect themselves.

Participants 18 years of age or older are primarily responsible for their safety. The parents/guardians of Participants under 18 years of age are primarily responsible for minor Participant safety and parents/guardians should monitor, as appropriate considering the age of the Participants and other factors, minor Participant participation in the Program.

I acknowledge that participation in FIRST Programs is voluntary, and may subject Participants to personal injury, property damage or loss, and/or death. I have considered the risks of participation and give my informed consent for myself and/or my child to participate in FIRST Programs.

I agree to assume all risk of such participation and hereby release FIRST, its directors, officers, employees, Program Delivery Organizations and/or Program Delivery Partners, specifically including, but not limited to, the entities listed here, agents, contractors, volunteers, vendors, other Participants, and any other third party working on behalf of FIRST or in support of FIRST Programs, from any and all liability arising from or related to participation in FIRST Programs.
