

# Bay Shore Robotics Team

## Team Uniform

2025-2026

Part of being a member of the Bay Shore Robotics Team is being unified. One of the most effective ways to make this evident is by a team uniform. Our team uniform consists of a team t-shirt and safety goggles or side shields. We ask all members to purchase three t-shirts and eye protection (Team Package). One shirt will be worn for each day of our 3-day competitions. The total for three shirts and eye protection is \$50.00. Additionally there are hooded sweatshirts available for \$50.00 and crew neck sweatshirts \$30.00. Please return this form and payment (cash/check) by October 24, 2025. Thank you.
